They will review the jurisdictional differences in Superior and District Courts, the Superior Court benchmarks for felony cases, and alternative sentencing.

You will learn how to handle a bail hearing, prepare a pre-trial motion, and identify the ethical issues you may encounter. The speakers will also bring you the latest information on administrative orders, case law, legislation, e-filing and limited scope representation.

This seminar is designed for new attorneys or attorneys new to criminal practice. It is a unique opportunity to hear from experienced practitioners and pick up some helpful hints, practical advice, and insight into the subtleties of practice in Rhode Island.
