Speaker

David-Ross Williamson
Williamson & Melendez

This program will discuss the essentials of an attorney representing professional athletes. Attorneys have an advantage over non-attorney agents, and our speaker with over twenty years of experience in the sports management industry will discuss:

- ethical issues around conflict of interest and NCAA violations
- contract negotiation and other legal issues that may arise
- recruiting and dealing with CBA issues
- the ethics of networking in the industry

If you are interested in expanding your practice or would like to learn more about representing athletes and the role of a sports agent, attend this seminar and learn the basics.
