## Presenters

Although *voir dire* is referred to as a jury “selection” process, experienced trial lawyers are actually trying to “deselect” potential jurors they don’t like.

Two veteran plaintiff and defense lawyers will share their secrets to success on how to establish credibility with jurors as you inquire about their biases and prejudices. Learn effective *voir dire* and jury selection strategies and adapt them to various circumstances. Learn how to stimulate juror candor and honesty, read nonverbal behavior, the impact of the Internet on jury selection and jury trials, and how to develop overall jury selection strategies. What are common pitfalls and ethical considerations?

Take advantage of this opportunity to learn some new techniques and maximize your *voir dire* to establish a positive beginning for your trial. Register today.
