2018 Hardship Licenses & Ignition Interlock Devices

1.0 RICLE credit

SPEAKER

ROBERT H. HUMPHREY, ESQ.
Law Offices Robert H. Humphrey

The availability of hardship licenses is one of the most significant changes in Rhode Island's DUI laws in the past two (2) decades. Hardship licenses may only be granted after the installation of an ignition interlock device. Hardship licenses are available in only certain cases and at the discretion of the Judge/Magistrate.

The presentation will consist of a nuts and bolts analysis of when hardship license are available and the procedural steps which must be accomplished to obtain a hardship license and to have the ignition interlock device installed. This CLE will also address recent changes in DUI and refusal law.

Raiders of the Lost Title: How to Hunt for Real Estate Records

1.0 RICLE credit

SPEAKER

VALERIE LEÓN, ESQ.
Lincoln Abstract & Settlement Services LLC.

Whether buying or selling property, clients expect attorneys to be able to help them with their real estate needs. One of the first steps on either side of the process is investigating the record ownership of the subject property. Conducting a proper title search is vital to avoiding any surprises when it comes to real estate. No conveyer of property wants to be caught with a partial interest or no vested interest at all while seated at the closing table.

From starting in the tax assessor's office to combing the vault protected recording indexes, this course will teach attendees the proper steps for ensuring a thorough title search. Attendees of this program will learn the benefits and disadvantages of online versus ground title searching. Examples of the common pitfalls of running title on a property will also be explored. Often times searching for real estate records can turn into a mysterious adventure. Don't miss out on valuable tips that can help make your time title searching well spent and less stressful!
