Top 10 Security Mistakes Most Firms are Making

1.0 RICLE credit

SPEAKER

JOSEPH GRIMES
Paradigm Computer Consulting, Inc.
SHAWN WALSH
Paradigm Computer Consulting, Inc.

Information security is of paramount importance for all business in this technology age. Threats increase daily. Now with Ransomware, professional services organizations have become a lucrative target. For those of us with an obligation of confidentiality a breach not only affects business productivity and has a financial impact, but impacts our reputation and the confidence our clients have in us.
