

Rhode Island Bar Association
2014 Law Related Education Program Attorney Volunteer Sign-Up

Your Bar Association supports law related education (LRE) for Rhode Island children and adults through three of its longstanding programs: *Lawyers in the Classroom*; *Rhode Island Law Day*; and the *Speakers Bureau*. The vitality and success of these programs depends on our valued Bar member volunteers.

In a response to requests from teachers and adult, non-profit organizations, the Bar Association contacts appropriate Bar volunteers, based on their geographic location (proximity to attorney's home and/or law office) and noted areas of law to determine the volunteer's interest and availability. All LRE Programs are based on volunteer attorneys', in-person participation of one hour to, at most, two hours. While longer commitments may be made by mutual consent between the volunteer attorney and the requestor, this is completely at the discretion of the volunteer attorney.

PLEASE NOTE: All Bar members interested in serving as LRE volunteers, now and in the future, must complete this form, as previous request forms are invalid.
